Bluebird Tech Solutions Certified by the Women's Business Enterprise National Council

Portsmouth, NH August 22, 2022— Bluebird Tech Solutions, a business specializing in Information Technology Consulting, is proud to announce national certification as a Women's Business Enterprise through the Women's Business Enterprise National Council (WBENC), the nation's largest third-party certifier of businesses owned and operated by women in the US. (WBENC).

The WBENC standard of certification is a meticulous process including an in-depth review of the business and site inspection. The certification process is designed to confirm the business is at least 51% owned, operated, and controlled by a woman or women.

By including women-owned businesses among their suppliers, corporations and government agencies demonstrate their commitment to fostering diversity and the continued development of their supplier diversity programs.

About Bluebird Tech Solutions:

Seamlessly transforming and modernizing technology and systems into an efficient and productive solution set so your business can fly. To learn more about Bluebird Tech Solutions, please visit bluebirdtechsolutions.com.

About WBENC:

Founded in 1997, WBENC is the nation's leader in women's business development and the leading third-party certifier of businesses owned and operated by women, with more than 17,000 certified Women's Business Enterprises, 14 national Regional Partner Organizations, and more than 350 Corporate Members. More than 1,000 corporations representing America's most prestigious brands as well as many states, cities, and other entities accept WBENC Certification. For more information, visit www.wbenc.org.
